37. Janab Md. Vazeer Ahmed, Asst.Commr. is now doing duty as Accounts Asst. After the Military is taken over by the Govt. of India, a place may have to found for this officer also after 1.4.50.

39. From the above, it may be seen that places have to be found immediately in the cadre of Asst.Commrs, to at least seven officers. As there are no vacancies, reversions seem inevitable. If the Asst. Commrs, who are now doing duty as Dt.Dev.Officers are withdrawn immediately it will only swell the number of reversions.

# COUNCIL NOTE.

Subject: Proposal regarding (1) Immediate Postings and reversions of officers, (2) postings & reversions of officers on or about 1.4.1950, in the cadre of Assistant Commissioners.

---

In connection with the approaching integration with the Govt. of India of the departments of this Government dealing with Central Subjects, notably the Military, the Railway and the Income-tax Departments it would be well to take stock, as early as possible, of the position of officers likely to be affected in the process and to have ready plans for absorbing them elsewhere. This would, it is presumed, affect, primarily, the officers working in these Departments and having permanent liens in the Revenue Department.

At the same time, arising out of a proposal separately under consideration for retrenchment of the nine posts of District Development officers which are at present held by Assistant Commissioners and consequent on quite a number of Probationary Assistant Commissioners completing their period of training and probation and becoming eligible for being posted to independent charges, places have to be found for an unusually large number of officers belonging to the cadre of Assistant Commissioners.

The following note deals, in two parts, with the case of 1) Officers requiring immediate postings and reversions, and 2) Officers expected to require postings or reversions on or about 1st April 1950.

I. <u>The following officers in the cadre of Assistant Commissioners are awaiting immediate postings</u>:

1. Sri D.D.Venkatasubbiah, who was in charge of the Dist. Survey Office, Hassan, has applied for leave till 19th November 1949. This officer has to be posted to a charge after his return from leave;

2. The term of office of the Special Officer for Muzrai Institutions, viz., Sri M.Srinivasalu Naidu, expires on 30th Septr.1949. If his term is not extended, he will have to be found a place immediately. The matter is before Council.

3. Janab Ahmed Ali Khan, Probationary Assistant Commissioner appointed in the year 1946 has since passed all the tests and his posting to a regular charge has to be considered. It has been decided that he should undergo training as II Class Magistrate for two months and be placed in independent charge of a taluk for four months.

4. The four Probationary Assistant Commissioners, viz., Sris. H.C. Vijayaraghava Reddy, A.Muniswamy Gowda, P.S. Rajasekhareppa and B.S. Muddappa, appointed in October 1947 have to be posted in October 1949 by which time the probationary period of two years will expire.

5. Sri R. Dharaniah, Assistant Commissioner, is at present on six months' combined leave. In view of the fact that orders will shortly be issued regarding a question effecting this officer that was pending he may, in all likelihood, return to duty.

6. Sri C.Ramaswamy, Assistant Commissioner, doing duty as Assistant Secretary, Gopala Rao Enquiry Committee, has been withdrawn for special duty in connection with Dasara. If the withdrawal is permanent, a place will have to be found for him after his special duty is over.

On the whole, there are 9 Assistant Commissioners including Probationary Assistant Commissioners in whose case orders of posting may have to be considered shortly as noted below:

| Officers. | Probable date of posting. |
|---|---|
| 1. Sri M.Srinivasalu Naidu | 1.10.1949 (in case he is not continued on special duty |
| 2. Janab Ahmed Ali Khan | March 1950 |
| 3. Sri H.C.Vijayaraghava Reddy (Prob.) | Octr. 1949 |
| 4. " A.Muniswami Gowda " | -do- |
| 5. " P.S.Rajasekharappa " | -do- |
| 6. " B.S.Muddappa " | -do- |
| 7. " N.D.Venkatacubbiah (on leave) | Novr. 1949 |
| 8. " R.Dharaniah " | |
| 9. " C.Ramaswamy (In case he is not continued as Asst. Secretary, Gopala Rao Enquiry Committee). | |

From the above, it may be seen that places have to be found immediately in the cadre of Assistant Commissioners for 9 officers. If the proposed retrenchment of District Development Officers is given effect to, this number will be increased to 18. As there are no vacancies, reversions in the cadre of Assistant Commissioners seem inevitable.

Immediate posting will be necessary in the case of Sri M.Srinivasalu Naidu, if he is not continued for a further term on special duty.

II Posting & reversions of officers on or about 1.4.1950.

Sri N.Siddaiya and Sri Rupla Naik, Assistant Commissioners (supernumerary) in whose case the period of training is fixed for one year and 2 months will complete their training by about April 1950.

Sri C.P.Gunda Setty (Assistant Commissioner), Sri R.J. Rego (Deputy Commissioner)and Sri B.N.Krishnan (Senior Assistant Commissioner) who are at present working in the Railway Audit Office may have to be taken back to the Revenue Department after integration which is expected to take effect from 1st April 1950.

Janab Md. Vazeer Ahmed, Assistant Commissioner is now working as Accounts Assistant to the Chief Commandant, Mysore State Troops. After the Military is taken over by the Govt. of India, a place may have to be found for this officer also after 1.4.1950. As this officer has had intensive training in Accounts Department and as he has not worked in that Department for the period specified, he may perhaps be found a place in Accounts Department in the cadre of Assistant Comptrollers.

In addition to the 6 officers referred to above, the following officers are holding appointments in the Income-tax cum Sales tax Department in whose case also the question of reversion may arise after integration.

1. Sri N.Madhava Rao, Deputy Commissioner, o.o.d. as Commissioner of Income-tax.
2. Sri N.Ramaswamaiya, Deputy Commissioner, o.o.d. as Deputy Commissioner of Income-tax.
3. Janab M.Abdul Azeem, Deputy Commissioner, o.o.d. as Deputy Commissioner of Income-tax cum Sales-tax.
4. Sri L.Kantaraja Urs, Senior Assistant Commissioner, o.o.d. as Deputy Commissioner of Income-tax cum sales-tax.
5. Janab Syed Ghouse Mohidin, Income-tax cum Sales-tax officer.
6. Sri C.Narasimhaiya, -do-
7. Janab Aminulmulk, -do-
8. Sri G.N.Puttanna, -do-
9. " M.Venkatagiri Setti, -do-
10. " H.C.Jambukeswareiya, -do-

On the whole, there are 16 officers in the cadre of Assistant Commissioners, Senior Assistant Commissioners and Deputy Commissioners in whose case postings and reversions may have to be considered on or about 1.4.1950 as noted below:

1. Sri K. Siddaiya, Asst. Commissioner (Supernumerary) | Officers to be
2. " Y. Rupla Naik, -do- | posted by about April 1950.

| | | |
|---|---|---|
| 3. | Sri N.Madhava Rao, Deputy Commissioner, | Officers who may have to be reverted to Revenue Department after integration on or about 1.4.1950. |
| 4. | " R.J.Rego, -do- | |
| 5. | " M.Ramaswamaiya -do- | |
| 6. | Janab M.Abdul Azeem -do- | |
| 7. | Sri B.M.Krishnanan, Senior Assistant Commissioner, | |
| 8. | " L.Kantaraj Urs, -do- | |
| 9. | " S.P.Gunda Setty, Assistant Commissioner, | |
| 10. | Janab Ghouse Mohidin -do- | |
| 11. | Sri G.Narasimhaiya -do- | |
| 12. | Janab Aminulmulk -do- | |
| 13. | Sri G.M.Puttanna -do- | |
| 14. | " M.Venkatagiri Setty -do- | |
| 15. | " H.C.Jambukeswaraiya -do- | |
| 16. | Janab Md. Vazeer Ahmed -do- | |

From the above it may be seen that more Assistant Commissioners will have to revert which would mean an equal number of Amildars also reverting right down the line.

Considering all the aspects of the matter, places have to be found for the officers as noted below:

1. For about 9 Assistant Commissioners before the end of November 1949;
2. For 9 Assistant Commissioners from the date the posts of District Development Officers are abolished;
3. For 4 Deputy Commissioners by about 1st April 1950;
4. For 2 Senior Assistant Commissioners by about 1st April 1950;
5. For 10 Assistant Commissioners by about 1st April 1950.

This is apart from other places that may be found redundent or superfluous as a result of consideration of the Economy Officer's report, when the incumbents of such posts will have to be taken back to the regular cadre.

This note is circulated in advance to the Ministers for informal consideration of the matter at an early meeting of the Council.

Sub: Proposal regarding (1) Immediate Postings and reversions of officers, (2) Postings and reversions of officers on or about 1.4.1950, in the cadre of Assistant Commissioners.

In connection with the approaching integration with the Govt. of India of the department of this Government dealing with Central subjects, notably the Military, the Railway and the Income-tax Departments, it would be well to take stock, as early as possible, of the position of officers likely to be affected in the process and to have ready plans for absorbing them elsewhere. The following note deals, in two parts, with the case of 1) officers requiring immediate postings and reversions, and 2) officers expected to require postings or reversions on or about 1st April 1950.

I. The following officers in the cadre of Asst. Commissioners are awaiting immediate postings:

1) Sri N.D.Venkatasubbiah who was in charge of the Dist. Survey Office, Hassan, has applied

for leave till 19th Nov. 1949. This officer has to be posted to a charge after his return from leave;

6) Sri C. Ramaswamy Asst. Comr. doing duty as Asst. Secy. Gopalaswamy Enquiry Committee has been withdrawn for special duty in connection with Dasara. If the withdrawal is permanent a place will have to be found for him after his special duty is over.

On the whole, there are 9 Asst. Commissioners including Probationary Asst. Commissioners in whose cases orders of posting may have to be ~~made immediately~~ Considered shortly as noted below:

| Officers. | Probable Date of posting. |
|---|---|
| 1. Sri M.Sreenivasalu Naidu | 1.10.49 (in case he is not Continued on special duty) |
| 2. Janab Ahmed Ali Khan | March 1950. |

7. Sri N.D.Venkatasubbiah (on leave) Nov.49
8. " R.Bharaniah "
9. " C. Ramaswamy (in case he is not continued as Asst. Secy. Population Enquiry Com.)

From the above, it may be seen that places have to be found immediately in the cadre of Asst. Commissioners for 9 officers. If the proposed retrenchment of Dist. Immediate posting will be necessary in the case of Sri M.Sreenivasalu Naidu, if he is not continued for a further term on special duty.

II. Posting and reversions of officers on or about 1.4.1950.

Sri N.Siddaiya and Sri Rupla Naik, Asst. Commissioners (Supernumerary) in whose case the period of training is fixed for one year and 2 months will complete their training by about April 1950.

Sri S.P.Gunda Setty (Asst. Commr.), Sri R. J. Rego (Dy. Commr.) and Sri B.M.Krishnan (Sr. Asst. Commr.) who are at present working in the Railway Audit office may have to be taken back to the Revenue Department after integration which is expected to take effect from 1st April 1950.

3. Janab M.Abdul Azeem, Dy. Commr. ~~xxx~~ o.o.d. as Dy.Commr. of Income tax cum sales tax.

8. Sri G.N.Puttanna, -do-
9. Sri M.Venkatagiri Setti -do-
10. Sri H.C.Jambukeswaraiya -do-

On the whole, there are 16 officers in the cadre of Asst. Commissioners, Senior Assistant ~~Xxxx~~ Commissioners and Deputy Commissioners in whose case postings and reversions may have to be considered on or about 1.4.1950 as noted below:

1) Sri N.Siddaiya, Asst. Commr.(Supernumerary) Officers to be posted
2) " Y.Rupla Naik, Asst. " " by about April 1950.

Officers who may have to be reverted to Revenue Department after integration on or about 1.4.1950.

14. Sri M.Venkatagiri Setty 〃 〃

15. Sri H.C. Jambukeswaraiya, B.A.
16. Janab Md. Vazeer Ahmed, B.A.

From the above it may be seen that more Asst. Commissioners will have to revert which would mean an equal number of Amildars also reverting right down the line.

Considering all the aspects of the matter, places have to be found for the officers as noted below:

a) For about 19 Asst. Commissioners before the end of November 1949.
